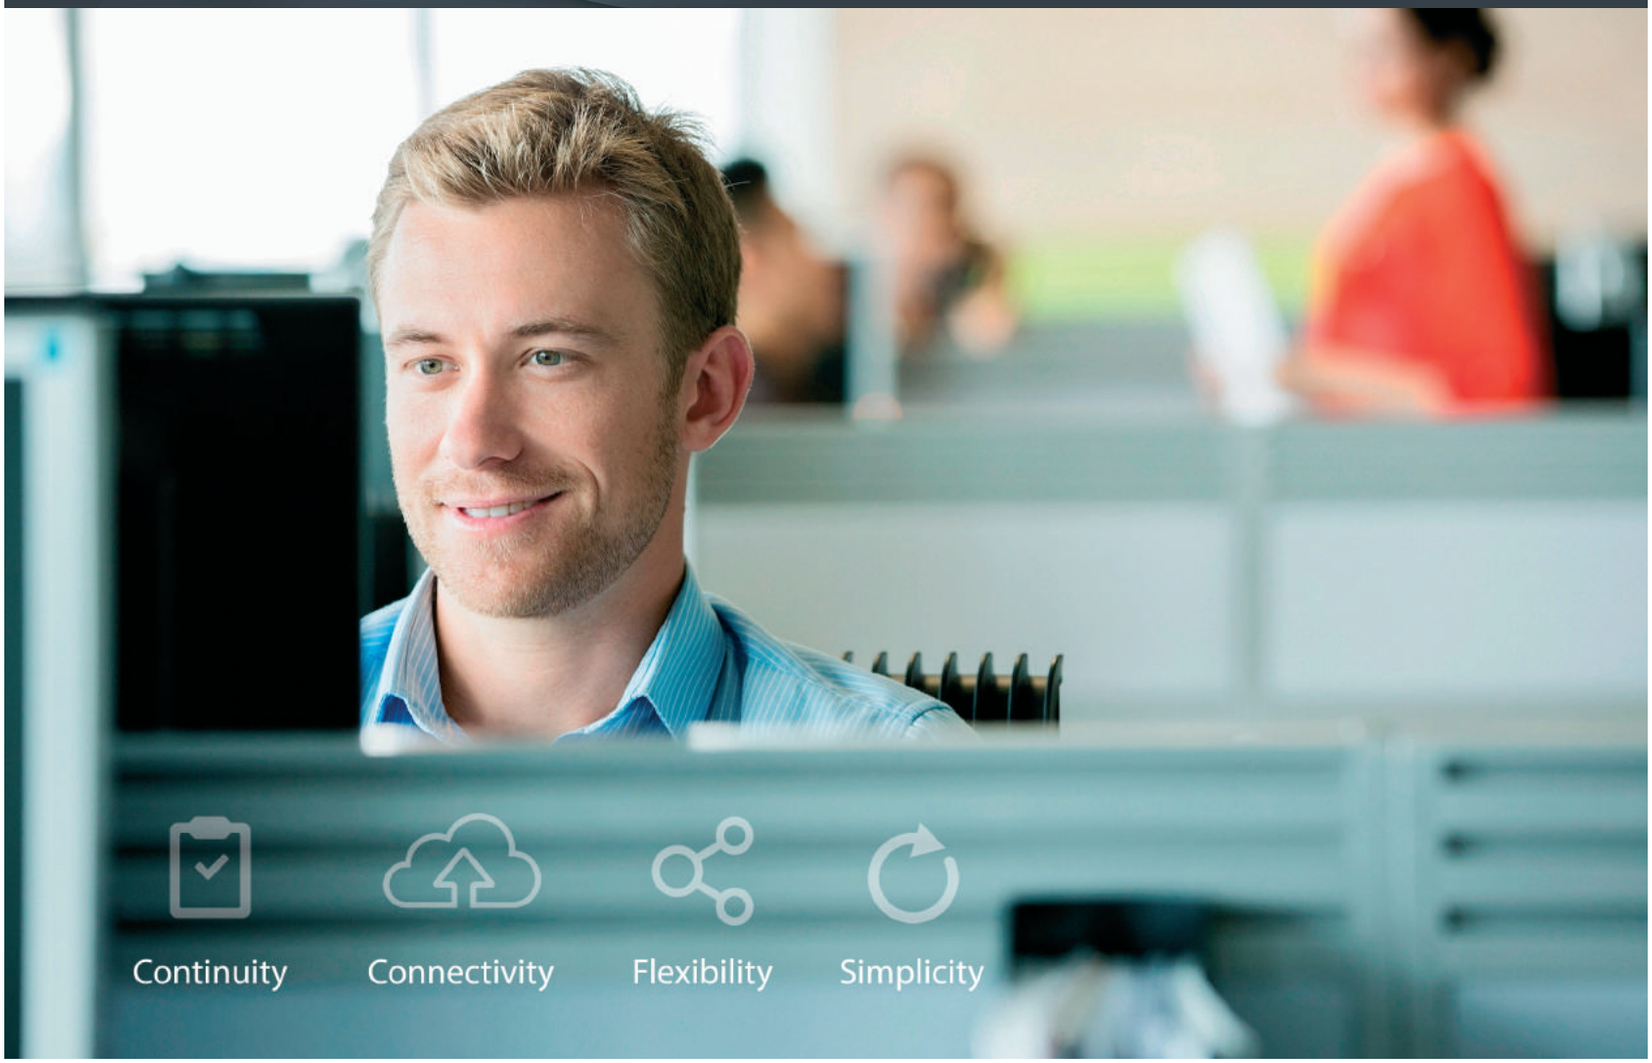
plantronics



Get UC right from the start with Plantronics Device-as-a-Service℠ Pro

Pay monthly with a revolutionary headset product and service subscription from Plantronics.

Looking for the best audio device solution without significant upfront costs? Look no further: the revolutionary new Plantronics Device-as-a-Service (DaaS) Pro is here.

This exciting 12, 24 or 36-month subscription program gives you easy access to selected Plantronics devices and services. Available through your Cloud Service Provider, it's a simple one-stop-shop solution to your UC needs. It's flexible, it's affordable, and it gives your team the audio devices they expect along with peace-of-mind.

Make life easy: Talk to your Cloud Service Provider about Plantronics DaaS℠ Pro.

BENEFITS AT A GLANCE

HOW IT WORKS:

- Open to qualifying companies in the United States with 50-2,500 seat deployments
- Ask your Cloud Service Provider for Plantronics DaaS Pro
- Choose your preferred contract length—12, 24, 36 months
- Once qualified, scoped and approved, product is shipped direct to you
- Your Cloud Service Provider bills you for your overall cloud solution bundle, including the Plantronics DaaS Pro subscription
- You have upward scalability as your business grows
